# Pre-Teen Ministry

---

Real8-pronounced "Relate" is a new ministry built especially for Middle School (grades 4-6) pre-teens. Real8 is a ministry for your "tween" to have a relationship with Christ and to construct a foundation that will carry them through their teenage years. There will be the option for parents to get involved to help lead small groups, chaperone events, and bring snacks. In addition to adults helping we will encourage our high school teenagers to be involved in leading and guiding your middle school student.

We wanted to give your middle school student an opportunity to have a real relationship with Christ in an atmosphere that helps to support and grow your child in a group setting. Few churches in the country are offering this right now and we felt it important to start our own Pre-Teen Ministry.
